

SUIT REVEALS QUARREL

Man of 87 Alleges He Gave Property "to Purchase Peace."

Through a suit of Mrs. Emma L. Colwell against George L. Colwell for \$1083.33, involved in a property settlement following a separation, some of the reasons for the separation came to light in the answer of Mr. Colwell, filed in the Circuit Court yesterday.

Mr. Colwell asserts in his answer that Mrs. Colwell married him solely to be supported, that she told him he was too old to be alive and that she kept unreasonably late hours. At the time of the separation he gave his wife a large amount of property "to purchase peace in the few years he reasonably expected to live."

He was 87 years of age at that time and she was 60.
