He is listed as Robert Porter, head of household, in the 1840 census for Blount Co., TN, age 40-50, with the entire household listed as 11110010-011000100

He is not the Robert Porter, head of household, in the 1850 census for Wythe Co., VA, age 53, born VA, farmer. this census was taken on August 10, 1850 and Andrew Porter, father of Robert Porter wrote his Will on June 22, 1850 saying that his son Robert was deceased (based on a prior Will, he may have been living in TN when he died).

His father, Andrew Porter, wrote two preliminary Wills, the later being written on February 12, 1848. In that Will he makes a bequest of a slave "to my son Robert Porter . . . which boy is now in the State of Tennessee and under the care of James Porter for the benefit of my son Andrew Porter . . ." and "\$600 which money he is to purchase a tract of land with for which land is to be deeded to the heirs of my son andrew Porter, for his benefit during his life, and not to be further under his control." This proves that Robert Porter was living on February 12, 1848.

His father, Andrew Porter wrote his Last Will and Testament on June 22, 1850. In his Will he mentions "James A. Porter, son of his son Robert Porter, deceased, and says that after his (Andrew's death) a slave is to be sold and the proceeds given to the children of Robert Porter by his "first wife". This reference proves that his son, Robert Porter was died by June 22, 1850.

He may or may not be the Robert Porter who is said to have been born on September 4, 1799 at Cripple Creek, Wythe Co., VA.
